## SUNLIGHT

(Jesse Colin Young)

*Have you seen the sunlight  
Pouring through her hair  
And felt her warm mouth on ya  
In the summer's air*

*Running in a field of brown  
Laughing, rolling on the ground  
Smiling as she pulls you down*

*That's the way she feels about you  
That's the way she feels about you*

*If your dreams should wake you  
Shaking in the night  
She can touch your face and  
Take away your fright*

*Like a tree in a meadow wind  
She will bend to take you in  
Makes no difference where you been*

*That's the way she feels about you  
That's the way she feels about you*

*If you wake up screaming  
Scared about what you're dreaming  
You know she is there, she can share*

*You're aware  
She cares about you*

*In the morning  
Wake up laughing with the day  
She will smile and ask you  
With her eyes to stay*

*Like the sunshine warms the sand  
She will touch you with her hand  
Touching makes you understand*

*That's the way she feels about you  
That's the way she feels about you*

*La, la, la, la, la, la la, la, la, la, la*

*If you wake up screaming  
Scared about what you're dreaming  
You know she is there, she can share  
You're aware  
She cares about you*

*In the morning  
Wake up laughing with the day  
She will smile and ask you  
With her eyes to stay*

*Like the sunshine warms the sand*

*She will touch you with her hand  
Touching makes you understand*

*That's the way she feels about you  
That's the way she feels about you  
That's the way she feels about you  
That's the way she feels about you*

## THE FACE OF LOVE

(Daniel Fogelberg)

*The winds of the heart  
They are as fickle as the weather  
The winds of the heart  
They are as constant as the moon  
They blow us apart  
And just as quickly turn  
And blow us together again  
And we don't know how  
And we can't say when  
No we can't say when*

*The workings of time  
They are the face of love in motion  
The workings of time  
They are as secret as the sea  
It seems such a crime  
That we should waste our love*

*Deciding whose fault it should be*

*Well it might be yours  
But it might be me  
Oh, it might be me*

*Chorus:*

*They say that love is jealous  
And they say that love is blind  
And they say that love is  
Always in a hurry  
But the face of love's forgiving  
And the face of love is kind  
And the grace of love is there  
For all to find*

## SONGBIRD

(Jesse Colin Young)

*Listen to the songbird  
Hear him singing  
The song he loves he's singing  
Just for you*

*The only reason  
He is living  
Just to try and  
Make your dreams come true*

*If only for a moment or two*

*Hear the songbird  
Lord he's soaring  
Music has carried him away  
See him smiling  
Feel his yearning  
He's trying to put some magic  
In your day*

*So let the music carry you away  
So let the music carry you away*

*Songs for his babies  
Some questions some maybes  
Songs of his sorrow  
And his hopes for tomorrow*

*Oh songbird  
Won't you carry me  
Carry me away now  
Carry me away  
Carry me, carry me  
Carry me away*

*There is a songbird  
Lord in the alley  
And I listen  
As he wakes the day*

*In my mind  
Oh Lord I feel a dawning  
And a brand new understanding  
Of my way*

*I let the music carry me away  
I let the music carry me away*

*Oh songbird  
Won't you carry me  
Carry me away now  
Carry me away  
Carry me, carry me  
Carry me away*

*There is a songbird  
Lord in the alley  
And I listen as he wakes the day  
In my mind  
Oh Lord I feel a dawning  
And a brand new understanding  
Of my way*

*So let the music carry you away  
So let the music carry you away  
So let the music carry you away  
So let the music carry you away*

## IS THIS MAGIC

(Daniel Fogelberg)

*Is it the voice of the whispering sea  
Or is it the way we're dancing  
Is it the way that the moon  
Hits your eyes  
Or is it this magic*

*Is it the way that you sway  
in my arms  
Or is it the soft winds blowing  
Is it the music that carries us off  
Or is this magic*

*Close your eyes and drink in  
the sweet sad guitar  
Close your eyes and drift to  
the beat of the moon and the stars*

*Is it the rush of the surf  
that I hear  
Or only our mad hearts beating  
Will this be only a fleeting affair  
Or is this magic*
